

Bringing Louise Dean Graduates one step closer

On November 17, 2011 Catholic Family Service took time out to further honour **four out of 36** Louise Dean high school graduates, with the scholarships they need to pursue and achieve higher education.

Ashley receives the George Stalinski Award; Nyalok and Geraldine each receive a Spectrum Fund. In addition, Danai receives the Samaritan Club Bursary, and has this to say on behalf of all four:

*'We are all extremely honoured and grateful to be the recipients of your scholarships.
Thanks to all of you, we are now one step closer in achieving our dreams and goals
for a future in support of ourselves and our children.'*

The annual Awards and Scholarship Assembly at Louise Dean Centre is made possible by many corporate and community citizens. This 2011 we are specially proud to celebrate in partnership with the Calgary Board of Education, another record year with 36 graduates!
